

Johnson Flight Academy

Equipment List

Updated 3-31-2016

All Cadets

- CAP Membership Card (MANDATORY AT ALL TIMES!)
- CAP Blues uniform**- short sleeve blues shirt with ribbons and devices, no tie
- Athletic\gym shoes
- Swimming attire
- Civilian clothes for free time activities
- EIU will provide 2 sheets, towels, pillow and a blanket. You may want to bring a washcloth.
- Bring your own soap, shampoo and toiletries
- Alarm Clock.** Cadets will be expected to get up time without the assistance of staff
- Notebook and pen/pencil
- Canteen (Required)
- Sunglasses (**Highly** recommended). These must be of conservative nature, per regulations.
- Pilot/Student logbook
- Some spending money (no more than \$50)
- SUN BLOCK** SPF 15 or higher (Required)
- Please use common sense when packing. Weather can range from the low 50's to the high 90's.

ALL Cadets will need their Blues uniforms this year for the banquet!

- Academy T-Shirts, shorts, and hat will be issued to each cadet and will be the uniform of the week (**academy uniform**) for power and glider cadets. **Cadets will not wear flight suits at the Johnson Flight Academy.** Balloon cadets will wear BDU's. The academy uniform will be worn with gym shoes. All other grooming standards will be adhered to, per CAPM 39-1.

Power Encampment

- Cadets will wear the academy uniform
- ALL POWER CADETS SHOULD GET A FAA THIRD CLASS MEDICAL & STUDENT PILOT CERTIFICATE.** It is highly recommended to get a FAA 3rd Class Medical. Due to changes in the curriculum there is a good chance that your cadet will solo. An FAA medical is required to solo. A FAA medical certificate may only be obtained by a FAA Aviation Medical Examiner.
- As of 1 April 2016 you now must APPLY to get a Student Pilot Certificate. Your FAA medical examiner can NOT issue student pilot certificates. The application process can take up to 4 weeks.** https://www.faa.gov/pilots/become/student_cert/
- There is **NO** opportunity to obtain a medical while at JFA.

Glider Encampment

- Cadets will wear the academy uniform
- IF YOU PLAN TO SOLO YOU MUST BRING A STUDENT PILOT CERTIFICATE.** **As of 1 April 2016 you now must APPLY to get a Student Pilot Certificate. Your FAA medical examiner can NOT issue student pilot certificates. The application process can take up to 4 weeks.** https://www.faa.gov/pilots/become/student_cert/

Balloon Encampment

- BDU Uniform with long sleeves (Mandatory!)
- One pair of leather work gloves

Note: All CAP Grooming Standards will be enforced. Cadets and Senior Members who do not conform to CAP Grooming Standards at check-in, will not be allowed to join JFA.

How to obtain a FAA Student Pilot Certificate

A Student Pilot Certificate is **REQUIRED** to solo a glider or airplane

You can participate in flight training, but you **CANNOT** solo without this certificate, **NO** refunds will be made.
